Dear Partner Organization,

Thank you again for passing along vital information to your constituents. The “No Wrong Door” survey is currently live on our website, but the closing date is quickly approaching. Since we have received such great feedback through the survey to this point, and would like to continue to reach as broad an audience as possible, we have decided to keep the survey open until **August 28, 2015**.

Please help us let people know they have more time to let us know their thoughts. Share this communication with your constituents in as many ways as possible: email, your website, social media, etc. A short explanation regarding the new closing date of the survey is included below. Please feel free to modify this announcement to meet your constituents’ needs.

**ENDING SOON!**

**Help Improve Long Term Services and Supports in Indiana**

**EXTENDED END DATE!** Indiana’s Family and Social Services Administration (FSSA) is working to create an integrated “No Wrong Door” system that will help all Hoosiers make informed choices about their long term service and support needs. In order to do so, **the survey will remain open until August 28, 2015**. Results of the survey will be used to help plan a better and more connected system for all of Indiana. Since FSSA has received such helpful feedback so far, it has decided to extend the survey closing date to allow those who have yet to complete the survey a chance to share their experiences. In order to ensure your voice is heard, the survey must be completed by **August 28, 2015**:

Thank you in advance for your assistance with this important project. Please contact [NoWrongDoor@fssa.in.gov](mailto:NoWrongDoor@fssa.in.gov) with any questions.

Sincerely,  
Yonda Snyder  
Director, Division of Aging
